

ledger – lateral files

Xpress

LLF 20

Two-High Lateral Files

Pre-configured Lateral Files combine various drawer heights to provide dedicated letter-, binder- or combination-use cabinets and drawer openings.

WHAT'S INCLUDED

1 cabinet case, 2 drawers, hanging file bars, counterweights, if specified, lock and keys.

NOTES

Not all configurations are available as Xpress. Please see Xpress catalogue and/or specification software for details.

Full Pull style is finished to match drawer front. Rectangular and District Handle Pull styles will default to Platinum.

Ensure product is leveled. If front/door alignment is needed, it can be done by either releasing the front mounting screws, adjusting the front/door and tightening the screws, or by using hinge adjustments to ensure an equal gap.

Xpress Height Binder (B) is excluded from *Teknion's Xpress Program*.
