

ability spinner stool overview

Ability Spinner Stools provide a simple and affordable solution for mobile and casual guest seating.

Ability Stools are equipped with casters intended for use on carpeted surfaces. Use of these casters on hard surfaces could result in unexpected rolling and tipping. Casters designed for use on hard surfaces are available.

Ability Spinner Stool (NACSP)

statement of line

ability spinner stool dimensions & material requirements

features

- Designed and tested for users up to 250 lbs

weight

Stool	15 lbs
-------	--------

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.
