

# belize overview

Belize is a mobile collaborative, friendly and casual chair that provides storage and comfort.

Belize Chairs are equipped with casters intended for use on carpeted surfaces. Use of these casters on hard surfaces could result in unexpected rolling and tipping.

Casters designed for use on hard surfaces are available. If in doubt, see your dealer for appropriate selection.

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.

**NOTES**  
A tablet and cup holder cannot be specified for the same side of the chair.  
The handle, cup holder and tablet arm frame are finished in Polished Aluminum. The surface of the cup holder is finished with a Black, non-slip surface.  
If a tablet is specified, a tablet surface finish must also be specified. Pricing shown opposite includes a Foundation, Laminate or metal tablet surface. If a Wood Veneer tablet surface is specified, the applicable upcharge must be added.  
Pricing does not include the Side Panel Style. The applicable upcharge must be added based on the Side Panel Style specified.  
If Upholstered Side Panel is specified, fabric for the side panel must also be specified.  
Hard casters are standard on all Belize Lounge Chairs. Casters at the rear are lockable.  
Leather LD is **not** available on the Belize Collection.
