**meeting tables**

**meeting table basics**

Meeting Tables outfit meeting spaces. They are available in a range of sizes to accommodate diverse numbers of participants.

- For the number of Power/Data Modules and supports included for each table, refer to the compatibility chart in this section
- All dimensions are nominal, widths are reduced by a 0.5% factor, except for Glass Meeting Tables the factor (0.5%) is not applicable

### Meeting Tables

- Four thicknesses available:
  - D: 1” thick low pressure laminate (LPL). Can be specified with all Round, Square, Convex Square and Coffee Worksurfaces only
  - M: high pressure laminate (HPL) with a 1 1/8” thick baseboard for a total surface thickness of 1 3/16”
  - X: high pressure laminate (HPL) with a 1 1/2” thick baseboard for a total surface thickness of 1 9/16”
  - 3/8” (10 mm) glass thickness Back-Painted tempered glass

- Worksurfaces are made in multiple number of pieces; see Meeting Table Configurations & Supports Chart in the Application Guide.
- Available with or without Power/Data Modules
- 29” high from floor to top of finished worksurface. Coffee Table have a 15” and 18” height option with Angular Legs or Square Post Legs only
- If applicable, all worksurface pieces have edge trim on all sides

### Not all optical computer mouse are compatible on glass worksurface, Desk Pad (YPDP) is recommended (see Complements products)
Flip-Up Power/Data Modules or Recessed Power/Data Modules

- Some tables come with optional electric and communication access which is conveniently located at the worksurface height
- The communication opening measures 69 mm x 35 mm
- Both Power/Data Module styles are not offered on all table shapes; refer to the Meeting Table Configurations & Supports
- Flip-Up Power/Data Module (BFPG) can also be specified separately. For detail, refer to the Lighting, Electrics & Communications section
- Do not connect any power/data module to another plug-in power module. Each plug-in power module must be plugged into a building power outlet
- Rectangular, Square, Panel or Cubic Bases have a removable panel that allows the extra cord management

Supports

- Include levelers with a 1” adjustment range, except Square Post Leg comes with a 3” adjustment range
- The Angular Leg and Square Post Leg are only available with Coffee Tables. The Square Post Leg is also available with Rectangular or Square Meeting Table with Glass Top only
- The Square Post Legs are linking with aluminum top frame to support the glass top
- Nine support styles are available:
meeting tables

meeting table accessories

Lectern (BLCN)
- Provides a speaking podium for formal presentations
- One panel may be removed and reinstalled without tools to hide/conceal cables and wires
- Includes casters and handle for mobility
