

# freestanding storage & accessories

## L T L

### Lateral Files

Lateral Files are available in a variety of heights to provide high density filing and organized storage. Lateral File heights are designed to align with Storage Cabinet (LTS).

#### WHAT'S INCLUDED

1 case, drawers (as per configuration), file bars, counterweight (if specified), lock and keys (as specified) and levelers.

#### WHAT'S EXCLUDED

Additional Lateral File Accessories (FA) are available.

#### NOTES

A Counterweight is required for all freestanding Laterals not located under a worksurface.

If Metal Front is specified, the drawer fronts will be finished to match the case.

A Flintwood front is not available with the Full Pull handle option.

A Flintwood front is not available with a receding drawer (i.e., BR).

Full Pull (B) handle option will be finished to match the case.
