

PAA

Acoustic Element

The Acoustic Element is a fabric-wrapped element with acoustic properties.

WHAT'S INCLUDED

1 element.

NOTES

This element can be used in place of any other same-size element.

Acoustic Elements (PAA) are the standard offering on all panels unless stated otherwise.

All Acoustic Element sizes, with the exception of the 26" height, are for use on the upper levels of the panel (i.e. above 36" height or the Access Door). The 26" Acoustic Element is for use only on the base of the panel. The 6" height element cannot be used as an access element or access door.
