

PE

Power Panel

Bare Frame Complete Panel

The Power Panel is a single frame panel, non-segmented above 36" high which supports a limited portion of the element program and provides both power pass-through and power access capabilities.

WHAT'S INCLUDED

Panel Frame (Bare): 1 frame, hardware for straight connections. Top trim is not included.

Complete Panel: 1 frame, 2 acoustic base elements, 2 Access Doors, two acoustic upper elements, 1 top trim, hardware for straight connections.

WHAT'S EXCLUDED

Panel Frame (Bare): Top trim.

NOTES

The Lay-In Trough option is only available with 51" panel heights or higher.

To order panels, a panel matrix must be completed to identify placement of specific elements.
