

Add-On Module – Lay-In can be applied to the top of any T/O/S panel and includes a Lay-In Channel for routing communication cables.

WHAT'S INCLUDED

Bare Frame: (for build-up purposes only), 1 lay-in frame, hardware for straight connections.

Complete Panel: 1 lay-in frame, 2 acoustic elements, hardware for straight connections.

WHAT'S EXCLUDED

Top trim.

NOTES

If adding a module to a 36" or 42" high panel with existing wiring, a special bracket is required.

To order add-ons, a panel matrix must be completed to identify placement of specific elements.
