W E R C

90° Extended Radius Corner Worksurface

The 90° Extended Radius Corner Worksurface combines a rectangular and corner worksurface to provide one continuous surface and can be connected to surfaces of different depths within a panel environment.

WHAT'S INCLUDED

1 worksurface with return and grommet (if specified).

WHAT'S EXCLUDED

Worksurface supports must be ordered separately.

NOTES

This worksurface can be specified with different depths on either end.

Flintwood edge trims will be finished to match the worksurface.

Seamless edge trims will be finished to match the worksurface.

When Flintwood or Laminate with a grain pattern are specified, the grain direction will run toward Width A.

Not all depth/width combinations are available. Please see the pricing for the exact offering.
