

The 90° Split Corner Worksurface with Curved Keyboard Support Surface provides a large keyboard tray and mouse support solution in panel-mounted environments.

### WHAT'S INCLUDED

1 worksurface with keyboard support surface, dual-arm mechanism, 1 backstop, mounting hardware and grommet.

### WHAT'S EXCLUDED

Worksurface supports must be ordered separately.

### NOTES

This product can be panel-mounted at 1" height increments in a 90° corner.

To support a 24" deep corner worksurface, a 12" deep handed Cantilever (CT12) must be used. A 30" deep corner worksurface requires an 18" deep handed Cantilever (CT18).

Flintwood edge trims will be finished to match the worksurface.

Not all depth/width combinations are available. Please see the pricing for the exact offering.
