

WFHDR Desk Riser

The Desktop Riser enables laptops and/or monitors to sit higher to an ergonomic eye level, while providing a tiered surface to tuck away keyboards and other devices above and/or below. The Riser can supplement the use of any table with the included felt cubby and accent tray.

What's Included

Desktop Riser with Laminate Top (46" x 9"), Metal Support and PET Bin (4" tall).

Notes

Elevated surface increases worksurface area, by allowing items to be stored underneath or on top of the riser.

Steel supports with Felt infills, the cubby can be oriented to be on the left or right hand side.

Resting on top of the Felt cubby is an accent metal tray that acts as subtle pull handle, and subdivides the storage volume.
