

# YEABPQ

## Above & Below Power Qube

Above and Below provides the same functionality as the integrated One Table One Plug System but does so externally. Each Above and Below accessory is hard-wired to the Below Power Box which has a single cord that connects to any simplex outlet.

### What's Included

Selected Power Qube connected to the Below Power selected cord and plug type.

### Notes

Linking and power cords covered in Grey Cloth.

Below Power Box contains five plugs, two duplexes on front face and one simplex on the end.

Mounting Bracket finished in Mica Arctic.

Below Power Box finished in Clear Anodized.

Duplexes finished in Grey, End Simplex finished in White.
