

YECP Xpress

Casual Power Post

The Casual Power Post offers two height options: 35" for task-oriented spaces, and 17 1/2" for lounge areas. Each height offers four standard configurations, with standard 18W or high capacity 65W USB-C options.

What's Included

One Casual Power Post with Integrated Power Cord.

Notes

Standard capacity 18W USB-C and USB-A will charge most hand-held devices; a high capacity 65W USB-C will charge most laptops in single port mode.

When both the USB-C and USB-A ports are used simultaneously, there will be a reduction in the combined power output.

Offers the flexibility to customize the finishes, with the option to choose separate colors for the exterior post and base, as well as the front face and belly.

Receptacle color options: Ebony and Soft Gris.

Power Cord Length 72" is not available with Task Height 35".

Xpress Available through *Teknion's Xpress Program*.
