

YFMB Podium Box

Podium Box provides secure storage for small valuables, as well as a space for charging small electronic devices.

What's Included

1 box with mounting hardware to attach to worksurfaces.

Notes

Only possible combinations: 8" depth x 16" width, 12" depth x 8" width, 12" depth x 16" width.

Not offered in Laminate finish.

Boxes can be specified with a lock in the lid to secure items within the box.

A bracket is provided to secure box to a worksurface. A 1.4" clearance is required to mount the box on the worksurface or it can be placed unmounted to any desk surface.

The Compact Power Bar (YEPS) will fit into the Podium Box to provide secure desktop power access.

Wires can be routed in and out of the box by way of the gaps in front and back directly below the lid.
