

Xpress YKCU TK CPU Holder

What's Included

1 CPU Holder with mounting hardware.

Notes

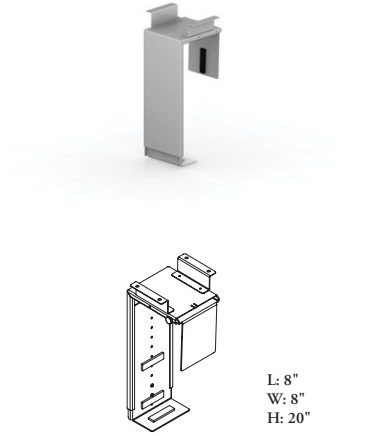

Accommodates CPU widths of 5 3/4" - 8 1/2" and heights of 15" - 25".

Enables a CPU of up to 65 lbs. to be supported vertically beneath the surface. This provides the user with more usable surface area.

Mounts using 1" wood screws.

Can be specified on surfaces with reinforcements less than 1 1/2".

Xpress Available through *Teknion's Xpress Program*.
