

YKKW Dual Arm Keyboard Support

What's Included

Keyboard support including dual arm gas assisted mechanism and 1" thick keyboard tray. Keyboard & mouse retainer clips.

Notes

Retractable solution requires clear space below the surface to retract surface tray & mechanism.

Can be installed on any 1" worksurface with adequate space for mechanism and a straight front edge equivalent to the nominal dimension specified.

Widths 48" and above are ADA compliant. Width between keyboard mechanism arms is 33".

Tray Width size is Nominal. Actual Width is 2" less.

Height-adjustable range is +6"/-7". Tilt adjustment range is +/-15°.

Standard palmrest width is 19" and Wide palmrest width is 27".

Flat edge trim styles (8 & 9) come in square corners.

Fixed (no palmrest)

Retractable (no palmrest)
