

Xpress YKST

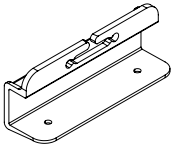

Keyboard Support Backstop

What's Included

1 backstop, two-way tape and mounting screws.

Notes

- Mounted to the back edge of a keyboard support.
- Can be mounted with two-way tape or with mounting screws.
- Location of the backstop on the surface edge is user defined to prevent the keyboard or mouse from sliding off the adjustable surface.
- Can be used on 1" thick worksurfaces.
- Finished in Black.

L: 4 1/2"
 D: 3/4"
