

Xpress YKST

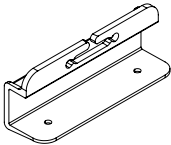

# Keyboard Support Backstop

### What's Included

1 backstop, two-way tape and mounting screws.

### Notes

- Mounted to the back edge of a keyboard support.
- Can be mounted with two-way tape or with mounting screws.
- Location of the backstop on the surface edge is user defined to prevent the keyboard or mouse from sliding off the adjustable surface.
- Can be used on 1" thick worksurfaces.
- Finished in Black.

L: 4.5"  
 D: .75"  
 H: 1.75"
