

YRH

Navigate Height-Adjustable Meeting Table

What's Included

1 table (2 pieces on 108" and 120" widths)

Notes

Shipped knocked down.

Linking mechanism is standard with 2 piece tables.

Widths of 108" and 120" will include grommet and/or Vertical Wire Carrier selections on both table pieces, if specified.

Switch Style (S) or (D) must be specified with Standard Electric (7S) Base Mechanism.

Display Switch (D) has three programmable memory settings.

All electrical base mechanisms have a 0.1 Watt resting power draw and use a 120V North American control box.

Actual Depth (36) not available with surface shape B.

Switch style (S) and (D) cannot be selected for Base Mechanism (2S).

Switch style (N) cannot be selected for Base Mechanism (7S).

The Base Mechanism distance is measured from the top of the worksurface to the floor when levelers are used.
