

YUNBA

Untethered Battery

Untethered Battery is a 245 Wh Lithium Iron Phosphate Battery with a maximum charging time of 2-3 hours. Each battery has a battery life indicator on the exterior to display remaining capacity.

What's Included

1 Untethered Battery.

Notes

Five year warranty.

Untethered Battery is shipped directly from the manufacturer and in a separate shipment from Untethered furniture and peripherals.

Untethered Battery requires Untethered Desktop Charger (YUNDC) or Untethered Mobile Charging Cart (YUNMC) to charge.

Untethered Battery requires Untethered Mobile Power Post (YUNMP) or Untethered Furniture Adapter (YUNFA) to facilitate power.

For indoor use only.
