

UCB

Closed Stacker with Cubbies

The Closed Stacker with Cubbies is a 16" deep closed cabinet that sits atop credenzas, to provide secured storage combined with open cubby space.

WHAT'S INCLUDED

1 cabinet with pulls (depending on width), lock and keys (if specified), 1 or 2 height-adjustable shelves (depending on height).

NOTES

The handedness of 24", 30" and 36" units refer to handle location. The handedness of 42" and 48" units is determined by the opening orientation of the bi-fold door.

Shelves are height-adjustable.

Height denotes height of the cabinet only and must be added to the height of the base unit (21" and 28" high credenzas or stretch pedestals or 36", 42" or 51" towers or lateral files) to get total height.

It is **not** recommended to stack units so that total height exceeds 66".

Stackers **cannot** be stacked on top of each other.
