End Gable – Height-Adjustable

A End Gable – Height-Adjustable provides height-adjustable end of run worksurface support available open or with infill option.

WHAT'S INCLUDED

1 leg and support with or without infill (as specified), leveler and attachment hardware, a Worksurface Panel Wall Bracket – Height-Adjustable (UNBPA) with the same left/right orientation as specified on the End Gable.

NOTES

Handedness is determined by the user when seated at the adjoining worksurface (left handed shown).

Height dimension includes thickness of worksurface.

Bottom of infill option is 6" above floor level.

Brackets will be finished to match the frame finish. A Platinum paint is applied to brackets when an Anodized frame finish is specified.

Xpress Available through *Teknion's Xpress Program*.
