

UNLTS

End Mount Lateral Screen Solid

End Mount Lateral Screen attaches to the end of a panel to provide casual lateral space division.

WHAT'S INCLUDED

1 lateral solid screen, attachment brackets, support foot or worksurface connection (48" width and above).

NOTES

Screens 48" in width and above must include either a support foot or worksurface connection. Support foot and Worksurface Connection finish will automatically default to the bracket finish. The Bracket location is determined by the location of the bracket in relation to the screen. Worksurface Connection is not panel supporting. The left handed orientation will have the visible mounting brackets on the right and the support foot (if required) will be on the left. The right handed orientation will have the visible mounting brackets on the left and the support foot (if required) will be on the right.
