Pedestal Tower with Cubby Back

The Pedestal Tower with Cubby Back provides both file and binder storage, the capability to support worksurfaces, and panels and the ability to route and provide access to power and data.

WHAT'S INCLUDED

1 Pedestal Tower, 4 angled feet, lock and keys (if specified), drawers, door and pulls (as specified).

NOTES

In the Standard (S) Style, the 42", 51" and 66" heights are available in Box/Box/File (B) and File/File (F) drawer combinations.

Cubbies in the back will have a 1" inset on one side to allow for the application of an Infill Screen if closure is desired (purchased separately, see Screen Section). The handedness of the inset side will be the same side as the location of the hinges on the door.

Left or Right must be selected for this unit. Handedness is determined by the location of the hinges on the upper door.

Beltline Back Cut Out (E) **cannot** be applied to 42" Pedestal Towers.

The location of the locks on the pedestals will be on the same side as the locks for the hinged door.
