

UZSG

Power Spine Lateral Floor Screen with Glass

Solid Lateral Screen and Glass top attaches to a Power Spine to provide casual lateral space division

WHAT'S INCLUDED

1 lateral solid screen, attachment brackets, support foot (48" width and above).

NOTES

Screens 48" in width and above will include a support foot. Support foot finish will automatically default to the bracket finish. The Bracket location is determined by the location of the bracket in relation to the screen. Worksurface Connection is not panel supporting. The left handed orientation will have the visible mounting brackets on the right and the support foot (if required) will be on the left. The right handed orientation will have the visible mounting brackets on the left and the support foot (if required) will be on the right. Inset specific option (D) are designed to line up with the glass add-on in a complete Inset pane
