

BOWTE

Wall-Mounted Tackboard – Felt

This felt tackboard is a low-cost alternative and it installs under any Wall-Mounted Overhead Cabinet.

WHAT'S INCLUDED

1 felt tackboard with Velcro® attachments and mounting hardware.

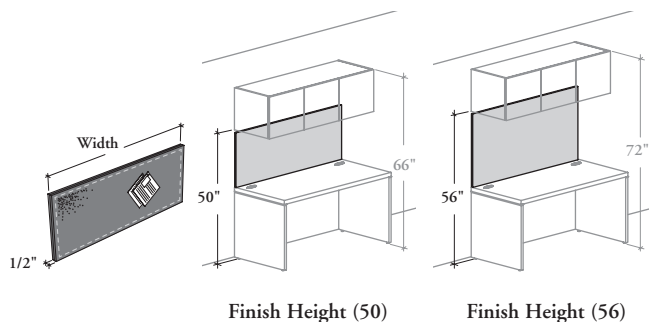

NOTES

Must be attached directly on the building wall. It does not allow wire management behind tackboard.

When the Wall-Mounted Tackboard is used over a secondary desk (B_MSD, B_ASR, B_ASP or B_ASLP), it will **not** reach down to the worksurface.

Cannot be installed under a Cubic Overhead Cabinet or Hutch.

When the Felt Coordinate (F) Stitches Finish is specified, the stitches are the same color than the felt.
