

R C F B G

Central Framed Screen for Spine
Desk – Glass

This screen provides central space division, desktop privacy and vertical writable surface in Spine Desk applications.

WHAT'S INCLUDED

2 glass infills, extrusions, and mounting hardware.

NOTES

Use only dry-erase markers with this board.

Tempered glass infills are doubled for a flush look.

Frosted (FT) is a single-sided etched glass which is facing inward of the screen assembly.

Must be used in back position between two workstations.

Can be mounted on the top of:

- The junction of two Single-Sided Spine Desks in back-to-back position or between two worksurfaces on a Shared Spine Desk
- The junction of two Rectangular Worksurfaces in back-to-back position (RTLDC and RTLDC)

Not all glass finishes are available as Xpress, Please see Xpress catalogue and/or specification software for details.
