## R P S L G

### 1" Floor Screen with Glass – Lateral Connection

This Floor Screen attaches to the side of a Modular, or Spine Desk (Single-Sided or Shared) to provide space division. The glass screen added on top provides a lighter, frameless alternative to 2" Freestanding Screens.

**WHAT'S INCLUDED**

1 solid floor screen with glass, 1 (left or right) or 2 (shared) cable pass-through ring (as specified), linking devices, mounting hardware, and levelers.

**WHAT'S EXCLUDED**

Cable Pass-Through Cover (RAWPC) (if applicable).

**NOTES**

Hardware Finish should be specified to match with the gable or base.

Configuration is determined by the side of the desk to which the screen is mounted.

Pass-Through ring comes in a Platinum Coordinate.

Two width applications are available: flush or back extended. For details on these applications, see Application Guide of this section.

Frosted (FT) is a 1/4" (6 mm) single-sided etched tempered glass which is facing inward of the workstation.

All glass finishes are available as Xpress. Please see Xpress catalogue and/or specification software for details.
