Back Connection Kit –
2" Freestanding Screen

The Back Connection Kit is designed to connect a 2" Freestanding Screen to the back of a Modular Desk or a Spine Desk.

WHAT'S INCLUDED

Modular Desk (M): 2 surface brackets, 2 corner post brackets, and hardware.

Spine Desk (S): 2 surface brackets, 2 gable brackets, and hardware.

WHAT'S EXCLUDED

Corner Post Cover.

NOTES

Hardware Finish should be specified to match with the gable or base.

Freestanding screen width must be greater than or equal to the worksurface width.

Coordinate colors for connection kit are solid colors that can be used to match wood prints such as those of the modesty panel and gable.

Modular Desk mounting hardware option (M) **cannot** be installed on a desk with a modesty panel.

Spine Desk mounting hardware option(s) requires to be installed on a Spine Desk–Single-Sided with a Wall-Access modesty panel.
