

**XCHK**  
**Kupp Hook**

The Kupp Hook can be installed underneath a worksurface to hang up a bag or other accessories.

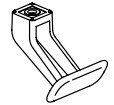

**WHAT'S INCLUDED**

1 kupp hook and mounting hardware (as specified).

**NOTES**

When Flip-Top Frame-Mounted (F) style is specified, the hook must be integrated with a Flip-Top Table – Kupp Legs (XTFTK).

When Underworksurface-Mounted (W) style is specified, the hook must be installed underneath the worksurface using pilot holes and can be installed on both side of the worksurface.

**PRODUCT OPTIONS**

Mounting Style	Hook Finish
