Modesty Panel for Flip-Top Table – Solid

Worksurface Width — 12"
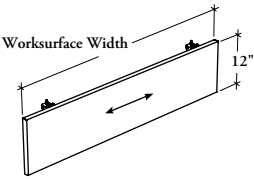

The modesty panel provides additional seated privacy on Flip-Top Tables.

WHAT'S INCLUDED
1 solid modesty panel and mounting hardware.

NOTES
Specify modesty panel width to match the width of the worksurface to which it is being applied.

If the Casual Linking Devices or Post Legs are used with tables, only the Casual (C) Modesty Panel Configuration can be specified.

Refer to the Table Accessories Compatibility Chart in the Application Guide to know the compatible products.

Modesty Panel is installed on activation handle. A securing device is included to lock the activating mechanism.

Hardware is finished in Soft Gris.

Not all finishes are available as Xpress, see Xpress catalogue and/or specification sorftware for details.
