MXMW Media Wall

The Media Wall is always attached to a building wall and facilitates the mounting of a monitor for a digital experience. Can be used standalone or with a Media Wall Peninsula to complete a meeting space.

WHAT'S INCLUDED

1 solid media wall, peninsula mounting bracket (as specified), 1 tv monitor wall mount, wire management truss and mounting hardware.

WHAT'S EXCLUDED

Media Wall Peninsulas (MXMPR, MXMPD, MXMPT, MXMPP), if applicable, Metal Shelf – Media Wall (MXMSW) and Plug-In Power Bar (MXPPP).

NOTES

Working datum Height should be specified accordingly to attached Peninsula for Media Wall or Standalone Worksurface height. When used in combination with Height-Adjustable Meeting Table (standalone), we recommend to use 42" Working Table Datum Height.

TV Monitor Wall Mount is finished in Black.

When For Peninsula (F) option is specified, the worksurface bracket matches the frame finish.

Xpress See Xpress Program and/or specification software for finishes availability.
