Dual Locker Tower - Standard

Standard Dual Locker Tower provides enclosed storage for personal items in One, Two, Three and Four-High configurations.

WHAT'S INCLUDED

1 case on levelers, doors, lock and keys (digital lock and keys must be ordered separately), shelves (if applicable), mounting hardware (if Worksurface and Storage Supporting (W) Application is specified), coat hook (for one-high configuration in heights 40", 48" and 66" only)

NOTES

Worksurface supporting application is only available in heights 35" and 40".

One-High configuration is not available in height 72"

Three-High configuration is not available in heights 35" or 40".

Four-High configuration is not available in height 35", 40", 48" and 66".

Handedness refers to door swing direction and is determined by the location of the hinges on the door.

The secondary color is only applicable to the Interpret Handle.

The digital lock defaults to Versa Mini Basic finish in brushed nickel if selected.

If the keys are needed to operate the digital lock and set up different levels of access, specify 6G Digital Lock Key for Metal Filing Storage (LKEZ). See [Digital Locks User Guide](#) for key instructions.

Ensure product is leveled. If front/door alignment is needed, it can be done by either releasing the front mounting screws, adjusting the front/door and tightening the screws, or by using hinge adjustments to ensure an equal gap.

Xpress Application Worksurface support (W) and Configuration Three-High (3), Four-High (4), Handle Style District Handle (D), Front Finish Flintwood and Handle Finish District are excluded from *Teknion's Xpress Program*.
