Navigate Single-Sided End of Run Screen – Solid

The Navigate Single-Sided End of Run Screen – Solid attaches to the end leg brace of a Navigate Height-Adjustable Bench Single-Sided station and provides casual privacy and space division.

WHAT'S INCLUDED

1 solid end of run screen, mounting hardware.

NOTES

Navigate Single-Sided End Screen Gable/Cover must be specified to conceal mounting brackets.

When specifying the screen, match the screen depth to specified frame depth.
