

HHBFYS

hiSpace Universal Frame

The hiSpace Universal Frame is used with 2 hiSpace Rectangular Worksurfaces to create a single section.

WHAT'S INCLUDED

Each section includes 2 electric height-adjustable mechanisms, 2 switches, 4 height-adjustable legs, cable tray and levelers.

Quantities of included components are dependent on number of specified sections.

NOTES

Requires Rectangular Worksurfaces (HHBWRL).

3" of leveling.

Extended Range Electric has an actual height adjustment range from 25.5" to 50.5".

Display Switch has 3 programmable settings and a cardinal red display screen with diagnostic capabilities.

All electrical base mechanisms have a 0.7 Watt resting power draw.
