

The Spine Wood Fascia mounts to the Functional Spine Screen Frame to provide a solid aesthetic finish.

WHAT'S INCLUDED

1 wood fascia and attachment clips.

NOTES

Must be mounted onto a Functional Spine Screen Frame (MWWCFM), **cannot** be used on their own.

Two equal-sized fascias must be specified for Functional Spine Screen Frames wider than 160cm (eg. 80cm x 2 for 160cm frame. Not 60cm & 100cm)

Additional posts are required for stability when mounting Wood Fascias. See application notes for Fascia Post Kit (MWWCPK).
