

The Closed Wood Spine Mounted Cabinet mounts to the center Accessory Beam in a double-sided bench application providing secured overhead storage.

M W W G S

Closed Wood Spine Mounted Cabinet

WHAT'S INCLUDED

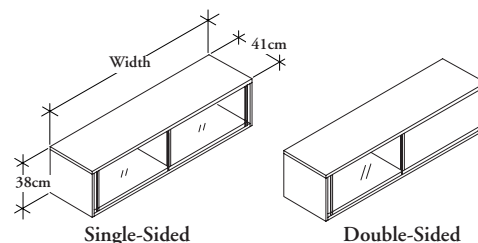

1 storage cabinet (single - or double-sided).

NOTES

Please note that Spine Mounted Stanchions (MWWGT) must be specified separately.

If Double-Sided (D) is selected, orientation Left (L) or Right (R) must be chosen. Handedness is determined by the open location from the user's perspective.

Not all Case, Front and Back combinations are available in all Zones. Please refer to the Metal Mounted Storage Finishes chart on page 98 of the Application Guides.
