Quilted Infinity Desk Edge Screen

The Quilted fabrics provide a textured aesthetic, elevating the overall feel of an area creating a tactile user experience. Both the Teknion Quilted patterns Pico and Diode, designed by Suzanne Tick, soften the surface of textiles and elevate the user experience in the workplace with textured, quilted designs that add depth and perspective to a space. The Quilted Infinity Desk Edge Screen attaches to a worksurface to provide a lightweight, thin, upholstered fabric screen that is expressed in a softer curvilinear aesthetic that creates space division and local desktop privacy in varying levels.

WHAT'S INCLUDED

1 quilted infinity fabric desk edge screen, attachment brackets, wire manger (if specified).

NOTES

Infinity screen is 1/2" less than specified size. The worksurface wire gap is 1/2", to allow for mounting of select desk edge accessories.

Wire manger is designed to be accompanied by the Power Bar (YEPD) or Compact Power Bar (YEPS).

Fabric will be applied in the railroad direction in select Panel and Upholstery fabrics please refer to the *Teknion Textiles Program Guide*. The pattern thread is designed to accompany the color way of the fabric selected.
