## WWCGB

### End Gable Infill

The End Gable Infill encloses the ends of straight legged Interpret frames to provide additional privacy and enclosure.

#### WHAT'S INCLUDED

1 infill, 4 attachment clips.

#### NOTES

**Cannot** be used on Angled Leg.

Available in 3 heights: 1" from the Floor, 6" from the Floor and 15" from the Floor.

The Infill for Single-Sided Frame (S) Style is only available in 24", 30" and 36" depths.

Infill Style (N) can be used on Double-Sided Frames (48", 60", 72") or on Return Frames (18" - 48").
