

WWTMT Meeting Table

The Meeting Table has an aesthetic tie to the Interpret bench system but with its own set of structural components. It features legs that are inset from the edge of the worksurface to allow users to sit around the table.

WHAT'S INCLUDED

4 or 6 legs (straight or angled only) (6 legs if length is longer than 96"), rail supports, 1 or 2 worksurfaces (2 worksurfaces if length specified is longer than 96").

NOTES

60" depth tables are not available in Flintwood.

If Cut Out (C) option is selected, a Double Access Door (WWEDD) and Table Power Module (single or multi circuit) must be specified separately.

When CALA Recessed cutout is selected, Interpret CALA meeting table VBEP will need to be ordered separately.

PRODUCT OPTIONS
