WWTWK Work Table

Work Tables function similar to a Bench except that they come without a center support rail or an Accessory Beam down the middle. Work Tables come complete with the appropriate worksurface and share many components such as end and recessed mid gables.

WHAT'S INCLUDED

2 full end gables (with leg style as specified), two support beams, 1 recessed mid gable (with straight leg) (if size specified is longer than 96"), 1 or 2 worksurfaces (2 worksurfaces if length specified is longer than 96"), beam clamps and hardware.

NOTES

60" deep tables are not available in Flintwood.

If Cut Out (C) option is selected, a Double Access Door (WWEDD) and Table Power Module (single or multi circuit) must be specified separately.

Infill Finish option is only required if Glass Filled Curve Leg (G).

When CALA Recessed cut out is selected, Interpret CALA meeting table VBEP will need to be ordered separately.
