Peninsula Worksurface

The Peninsula Worksurface is mounted to the end of a bench for additional worksurface space. It can be cantilevered off the edge or sit on top of an end mounted storage unit.

WHAT'S INCLUDED

1 worksurface.

NOTES

18", 24" & 30" depths require a Peninsula Worksurface Support Kit (WWSPP).

The 16" depth is only for use on top of End Mounted Storage units specified "W" Below Worksurface.
