## End Mount Lateral Screen Solid with Glass

End Mount Lateral Screen Solid with Glass attaches to the panel to provide casual lateral space division.

### WHAT'S INCLUDED

1 lateral solid screen with attachment brackets, support foot or worksurface connection.

### NOTES

Screens 48" in width and above must include either a support foot or worksurface connection.

Support Foot and Worksurface Connection finish will automatically default to the bracket finish.

Bracket location is determined by the location of the bracket in relation to the screen.

Worksurface Connection is not panel supporting.

Left handed orientation will have the visible mounting brackets on the right and the support foot (if required) will be on the left. The right handed orientation will have the visible mounting brackets on the left and the support foot (if required) will be on the right.

Panel End trim (KTE) required on connecting panel.
