UMCE

End Gable

End Gables attach to the Truss (UMCT) to form the table chassis.

WHAT'S INCLUDED

2 end gables – levelers, interior and exterior covers, access door, connections and hardware.

WHAT'S EXCLUDED

All electrical components are ordered separately.

NOTES

Not all Exterior/Interior finish combinations are available. See pricing for exact offering.

End Gable frame will have an Anodized Aluminum finish.

Not all configurations are available as Xpress. Please see Xpress catalogue and/or specification software for details.
