UMWE

Worksurface – End

End Worksurfaces are specified next to end gables at the beginning or end of a run.

WHAT'S INCLUDED

1 worksurface, support bars, grommet and P/C box cut outs (if specified) and are handed.

NOTES

Handedness is determined by the location of the End Gable (UMCE)

The 30" and 36" deep worksurface can be used with a 6" gap.

Not all configurations are available as Xpress. Please see Xpress catalogue and/or specification software for details.
