

Worksurface – In-Line

In-Line worksurfaces are specified in the middle sections of a table run.

WHAT'S INCLUDED

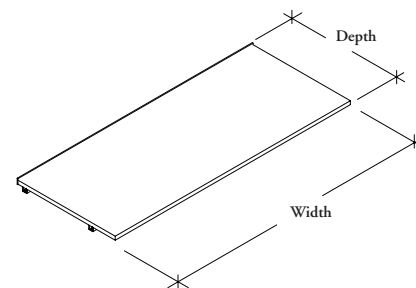

1 worksurface, support bars, grommet and P/C box cut outs, if specified.

NOTES

The 30" and 36" deep worksurface can be used with a 6" gap.

Center grommets and Center Recessed Power Communication Box options cannot be ordered together.

Not all configurations are available as Xpress. Please see Xpress catalogue and/or specification software for details.
