

arne chair overview

Arne expresses Nordic traditions in its sparing use of materials, shapely shell and the structural elegance of cross-bracing under the seat. Revealing a fluency with wood, the Arne Chair is built to follow the human form.

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.
