

collaborative ottoman overview

The Collaborative Ottoman provides casual seating for guests in a workstation or lounge environment. In a lounge, the Ottoman can be used in their own grouping or intermingled with other lounge seating, such as Teknion dna.

Collaborative Ottomans are equipped with casters intended for use on carpeted surfaces. Use of these casters on hard surfaces could result in unexpected rolling and tipping. Casters designed for use on hard surfaces are available. If in doubt, see your dealer for appropriate selection.

features

- Designed and tested for users up to 300 lbs

weight

Small	11 - 16 lbs
Medium	18 - 24 lbs

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.

Collaborative Ottoman – Round

FEATURES

- Fully upholstered, fixed height, casual seating solution to be used alone or in groups
- Optional Small (18") and Medium (24") diameter seat size
- Optional Teknion dna appropriate seat height (16") as well as a typical Lounge height (18 1/2")
- Hard casters are standard and finished in Ebony. Soft casters and glides also available

NOTES

Dual Upholstered option allows an upholstery finish on the top surface to differ from the body (sides).

When Top Upholstery style is specified in Leather or Vinyl and Medium seat diameter is specified, top surface is divided into quadrants and top stitched.

Not all configurations are available on the Xpress program.
