Note: Additional upholstery options will reduce the interior dimensions.  
See Teknion’s *Seating Measures, Weights & Volumes* guide for details.

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.  
Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.
