Occo Chair - 4-Legs

COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.

multi-use chairs

planning with occo chair

The Occo chair can be used in a variety of application throughout a workspace.

multipurpose

The Occo Chair is available for short-term use in a multipurpose room such as a cafeteria, bistro or casual meeting area.

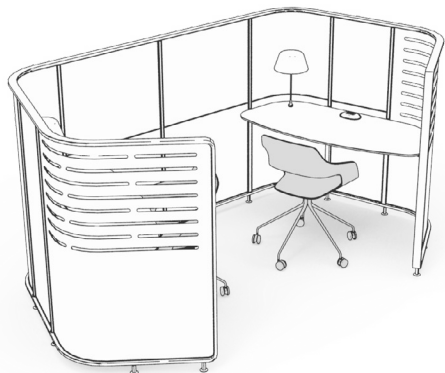

meeting and conference rooms

The Occo chair with casters is suitable for short-term use in meeting rooms.

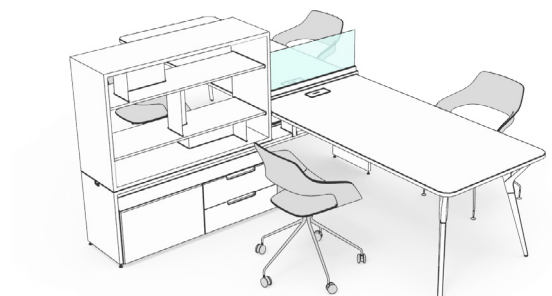

enclaves

The Occo chair works well in enclaves and touchdown workstations where the end user needs a space to get some quick work completed.

open environment

The Occo chair is suitable for short term use in an open environment where the end user requires a non-dedicated space to work. The Occo chair with and without casters complement each other.
